

Cleanse (no rinse)

For frequent cleansing and moisturising when soap and water may otherwise dry the skin

TENA Wash Glove

The soft and thick textured material combines the gentleness of a cloth with the convenience of a disposable glove to provide efficient care for delicate elderly skin in combination with TENA Wash Cream or Wash Mousse.

- Soft, convenient and easy to use
- Provides effective grip and handling, ideal for full body, in-bed bathing
- Available with a built-in latex-free plastic lining for extra hygiene

Product Name	Order #	Pack Count	Case Count
TENA Wash Glove	740400	200	6
TENA Wash Glove with lining	740500	175	6

Safety

Production complies with ISO 9001 and ISO 14001. The product has a long history of safe use and has not been tested on animals.

Physical properties

TENA Wash Glove consist of a cellulose based, airlaid nonwoven material, reinforced with soft viscose fibers.

The version with plastic lining has an additional material, a polyethylene film, and no viscose fibers.
