Instructions and additional statements

Storage instruction

Store in original packaging in a dry and dark place at 10° C to 30° C. Refer to guidelines of storage of rubber products as described in ISO 2230:2002. Ensure that storage area is kept cool, dry and dust free, avoid ventilation and storage close to photocopy equipment. Copper ions discolour the glove. Protect gloves against ultraviolet light sources, such as sunlight and oxidizing agents. Storage above 30° C will lead to accelerated aging and should be avoided.

Cautionary statement and ingredient information

This product contains natural rubber latex which may cause allergic reactions, including anaphylactic responses. Contains potential Type IV chemical allergens (Dithiocarbamate types, Zinc-mercaptobenzothiazol). For further information, a list of substances contained in the glove is available upon request.
