Risk Analysis

The raw material is approved to be safe to human health (refer to the manufacturer's safety data sheet).
As for the product, no hazard is foreseeable to the safety and health of user.

Instruction for Use:

Usage :

1. Take it out from the package (box or polybag), then unfold it
2. Put arm into the hole of sleeve, tie up the band at the back of neck and waist.

Cautions:

1. This product is for single use. Do not re-use it.
2. This product is for protection of part of body, not for overall protection.
3. This product is for hygienic protection, not for any other personal protection against potential risk.
4. This product is non-sterile. It must be sterilized before being used as sterile wear.
5. Do not wear it directly without any clothes. It may cause skin uncomfortably when touching skin directly.
6. Do not wear it in the place where electrostatic prevention is requested. It is not anti-static treated.
7. Choose right size according to the user's stature and figure.
